

Architectural Designer Position

Jones Gillam Renz Architects – Firm Description

JGR is a long-established company that has designed projects in every category over the past 80 years. We have 2 office locations that work together as 1 Midwest brand, in Salina, Kansas and Kansas City, Missouri. Our firm emphasizes the “Team Concept”, with each member contributing to each stage of the design process. We work closely with our clients, staff, consultants, community, and others to explore, analyze & critique the project details to ensure a successful project. We work on a variety of projects, across 12+ states. We actively compete in new project categories as well.
